

DOMAINE JEAN BAPTISTE SENAT

AMALGAME 2023

It's the new cuvée of our Domaine. It's a blend of grey, white and black Grenache, all planted together in the vines and mixed at the tank... hence "amalgam". A wine of coolness, which is floral and slightly tannic. Is it a pale red or a dark rosé...regardless, it's the perfect companion for a nice day.
